Remarks

A beautiful Siesta Key property! The combination of 3 bedrooms and 3.5 baths offers plenty of space, and the wood-burning fireplace adds a cozy touch. With a large patio and lap pool, it seems perfect for entertaining or relaxing in the sun. Being across from the Gulf and just a short walk to Siesta Key Village and the beaches makes it an ideal location for enjoying the best of coastal living. Siesta Key has been on the number one beaches in the world many times. Siesta Key beach is great for families and guest to enjoy the best Sarasota has to offer. The Sarasota Ballet and Sarasota Opera are known all over the world. Best restaurants are just minutes away as well as the Sarasota/Bradenton Airport. Fishing tours daily, kayaking with the dolphins, and beachcombers shelling is best on the West Coast of Florida.
